Description

The finca is located on a private property with panoramic views of the sea, protected woodland, and breathtaking natural beauty that surrounds it. This unique vista across Marbella and beyond to the North Coast of Africa is not available anywhere else in Europe.

The renowned harbor of Puerto Banus, with its upscale cafes, eateries, and designer shops just steps from the water, is only 15 minutes away.

It's simple to fall in love with this hidden treasure tucked above Marbella, which has long been known as the playground of the rich and famous, given that it's less than an hour from Malaga Airport and only 10 minutes to golden sun-drenched beaches and remote golf courses.
