Description

Located in Benalmádena, this serene villa offers a chance to fully immerse yourself in the present moment. You can take advantage of the various relaxing activities and enjoyable attractions in the area, including golf courses, pleasant beach days, and upscale dining and nightlife experiences.

For in-house entertainment, there are ample amenities to cater to your homebody mood. You can enjoy the home cinema in the basement and relax on the comfortable sofa with your favorite companion, whether human or pet. Alternatively, you can make use of the heated swimming pool outside for quality time with your loved ones. A refreshing morning swim is likely to boost your energy and prepare you for a splendid day at the beach.

As you stroll along the beautiful white-stone pathway between the solarium area and the swimming pool, you'll instantly find yourself in a peaceful state of mind. The vertical garden on the wall leading to the outdoor dining area adds a fresh touch and brightens the atmosphere, providing a warm welcome home. This Mediterranean setting will be a hit with the entire family, including your furry friend, who might discover a newfound hobby of chasing birds on the terrace (Note: Please be aware that only small pets weighing less than 10 kg are allowed).

The beach is a short walk away, giving you the freedom to go fishing by boat or build impressive sandcastles with your children at your convenience. When hunger strikes, you can seek out a traditional chiringuito restaurant on the promenade and savor local fried fish and a refreshing Mediterranean salad like Ensalada malagueña. The delightful combination of ingredients—potatoes, onion, olives, fish, and oranges—will tantalize your taste buds. And on a warm, sunny day, why not try your hand at golf with your friends at the magnificent Torrequebrada golf course, conveniently located nearby.

With the soothing sounds of birds outside and an industrial-inspired interior, you'll experience a touch of summer, even during the winter months. The bright open-plan living area features a well-appointed kitchen with views of the barbecue area, as well as an elegant wooden dining table for the entire family. Thoughtfully arranged bedrooms add sophistication to the modern backdrop. If you want to truly embrace the delightful microclimate of Benalmádena, the porch is the perfect place to do so.

Top-of-the-line mattresses ensure a restful night's sleep, and our professional housekeeping and management team are dedicated to ensuring that every stay is a wonderful experience.
